
Highfield Level 2 Award for Working as a Security Officer within the Private Security Industry

QUALIFICATION NUMBER: 601/4964/4

WHO REQUIRES THIS QUALIFICATION?

Any business conducting guarding activity to secure a building or site may need trained security staff qualified as security officers who hold a SIA licence.

A level 2 award for working as a security officer within the private security industry qualification is required by law for an individual to apply for a SIA-licence to work as a security guard.

WHY A HIGHFIELD QUALIFICATION?

Highfield is the leading provider of regulated compliance qualifications in the UK, certifying over 350,000 learners a year, and qualifies more security officers each year than any other awarding organisation. We're extremely proud to be a Highfield-approved centre and offer industry-recognised qualifications that will enhance learners' career prospects.
